

Many residents may not know that recycling is the law in New Jersey.

[New Jersey Statutes Annotated \(N.J.S.A.\) 13:1E-99.11 et seq.](#) We want to remind you here in West Windsor we recognize that it's important for many other reasons. Recycling reduces waste, saves tax dollars and conserves energy by giving previously used natural resources a new life. West Windsor provides curbside recycling services that are managed by the Mercer County Improvement Authority of "mixed paper", "cardboard", and "commingled" recyclables (i.e. metal, plastic and glass). In addition, we have our drop-off center, located at 70 Southfield Road. They are open for **recyclables** on Monday and Fridays from 8:00 am to 2:00 pm, and every Saturday's from 8:00 am to 12:00 pm, except holidays.

Below is a summary of the items accepted for curbside collection, followed by a brief itemized listing of other recyclables accepted by the West Windsor Township. Please see schedules for Bi-Weekly Pickup.

Residents can mix paper with bottles, cans and cardboard all in one container as part of the curbside single stream recycling plan

Rinsed containers including: plastic containers marked 1 & 2 (no Styrofoam or bags) that contained beverages, bleach, laundry detergent, light cleaning products, health care product (lotion, shampoo, etc.). Metal cans and glass bottles and/or jars that contained food or beverages are also accepted.

NO:

Plastic bags, Drinking glasses, window glass, mirrors, Pyrex glassware, light bulbs, plastic toys, aluminum foil, polystyrene or Styrofoam (such as plastic cups or food trays), paint cans, gutters, oil cans, aerosol cans, pesticide containers.
