

## **Star 16**

### **Private Walter Martin**

John I. Furyk and family remember their dear Uncle Walter Martin, who served as a Private First Class in the Korean war and in Germany, where he served as an armored personnel carrier driver along the Russian Sector border. The star was incised by Ena Barton of Pennington, NJ. John Furyk is Ena Barton's son-in-law. John and his brother Steve and sister Michele were very close to Uncle Walter Martin. After the war he lived in New Jersey until he passed away in 2003.
