

Prescription Assistance Programs

RxAssist

 www.rxassist.org

An online database of pharmaceutical companies that offers patient assistance programs providing free and/or low-cost medications. It also includes information on Medicare Part D and other healthcare assistance resources. Eligibility varies by individual program requirements.

Medicine Assistance Tool

 <https://medicineassistancetool.org/>

 1-(571) 350-8643

Pharmaceutical Research and Manufacturers of America (PhRMA)'s Medicine Assistance Tool (MAT) is a search engine designed to help patients, caregivers and health care providers learn more about the resources available through the various biopharmaceutical industry programs.

Rx Outreach

 www.rxoutreach.org  cell 1-314-222-0472  landline 1-888-796-1234

A non-profit, digital-order pharmacy offering more than 1,000 medication doses at a reduced or no cost to the patient. Eligibility depends ONLY on income, with income thresholds depending on the number of financially dependent people in your household.

Medicare Part D Extra Help

 <https://www.ssa.gov/medicare/part-d-extra-help>

 1-800-77201213

The program helps you pay your monthly premium for Medicare's prescription drug coverage (Part D), yearly deductibles, coinsurance, and copayments. You can apply for Extra Help any time before or after you enroll in Part D.

Pharmaceutical Assistance for Aged & Disabled

 www.njpaad.gov

 1-(800)-792-9745

A state-funded program that helps eligible seniors and individuals with disabilities save money on their prescription drug costs. The federal Medicare Plan and/or PAAD will pay any costs above the PAAD copayment of \$5 for each covered generic drug or \$7 for each covered brand name drug, including premiums.

Eligibility requirements: (1) New Jersey resident; (2) age 65 years or older OR at least 18 years of age and receiving Social Security Disability benefits; (3) meets income guidelines; (4) enrollment in Medicare Part D if Medicare-eligible

NeedyMeds

 <https://www.needymeds.org>  1-(800) 503-6897

A non-profit that provides information on assistance programs to people who are unable to afford their medications and health care costs. All the information is free, easy to access and updated regularly. No registration is required, and they do not request any personal information.

This resource list was compiled by the West Windsor Health Department. This does not constitute medical advice. Talk with your health care provider if you have any questions about your medication. 04/2023

Prescription Coupons & Savings

Compare Prices ♦ Get Free Coupons ♦ Get Free Savings Cards ♦ Save

New Jersey Prescription Savings Program → [NJRxDiscountCard.com](https://www.njrxdiscountcard.com)

This program is open to all New Jersey residents. Every prescription medication, including some pet medications, is eligible for a discount.

Walmart Rx program → <https://www.walmart.com/pharmacy>

Walmart offers a supply of some commonly prescribed medications for as low as \$4 for a 30-day supply and \$10 for a 90-day supply. The program only includes generic forms of drugs.

AARP Prescription Discount →

<https://www.aarp.org/membership/benefits/health/rx-discounts-optumrx>

You can use the card on all FDA-approved medications including both brand name and generic brands. The program also covers over-the-counter medications with a doctor's prescription. It is open to anyone, but AARP members can get additional savings and services.

Other Programs

These programs are free to use and require no personal information. Simply search your medication, find your preferred pharmacy, and access coupons and savings cards to present to the pharmacy.
