West Windsor Township Announces Redevelopment Workshop Dates

The Township of West Windsor is excited to announce the final times and locations for the three (3) interactive public workshops, also referred to as “charrettes,” that will begin the planning process for the Township’s designated Area in Need of Redevelopment:

1. Thursday, February 22, 2007, from 7:00 PM to 10:00 PM at the Hyatt Hotel in West Windsor
2. Saturday, March 17, 2007, from 9:30 AM to 12:30 PM at West Windsor-Plainsboro High School South in West Windsor
3. Thursday, April 19, 2007, from 7:00 PM to 10:00 PM at Grover Middle School in West Windsor

Each workshop is open to any member of the public who would like to participate and will be led by Hillier Architecture, the award-winning firm selected by the Township to develop the redevelopment plan. All three (3) workshops will also be taped and rebroadcast on West Windsor Channel 27 and related information will be posted on the Township Web Site (www.westwindsornj.org).
